

Efoye

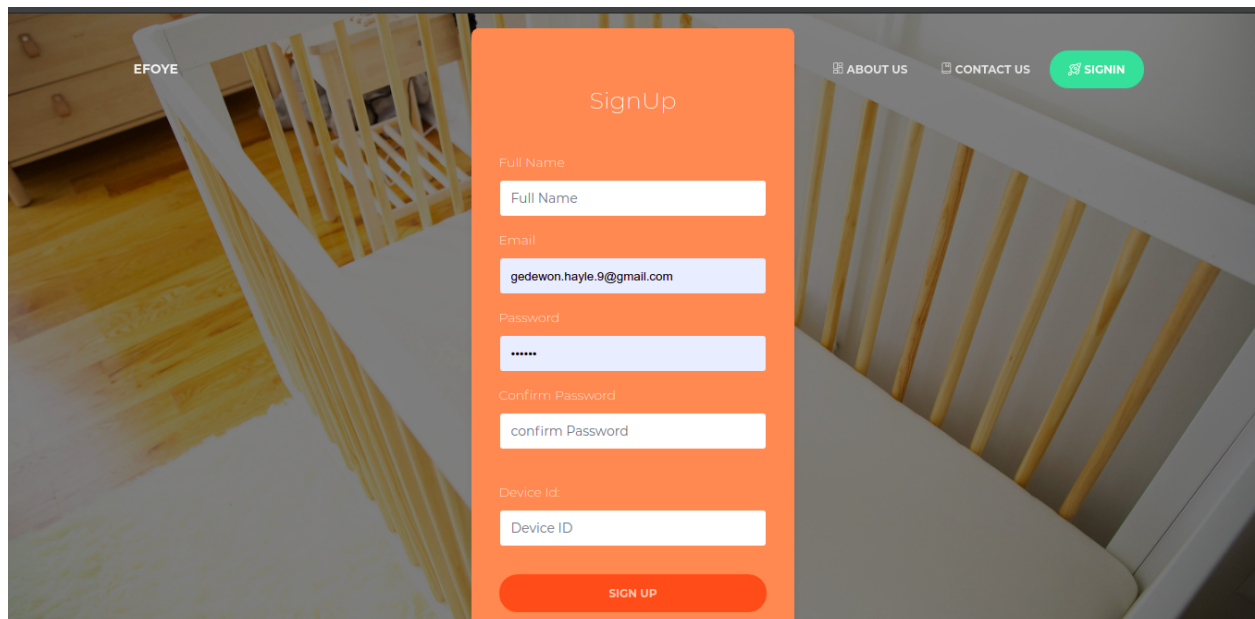

QUICK INSTALLATION GUIDE

Thank you for purchasing our Platform, please follow these simple but important instructions for optimal use of your new system.

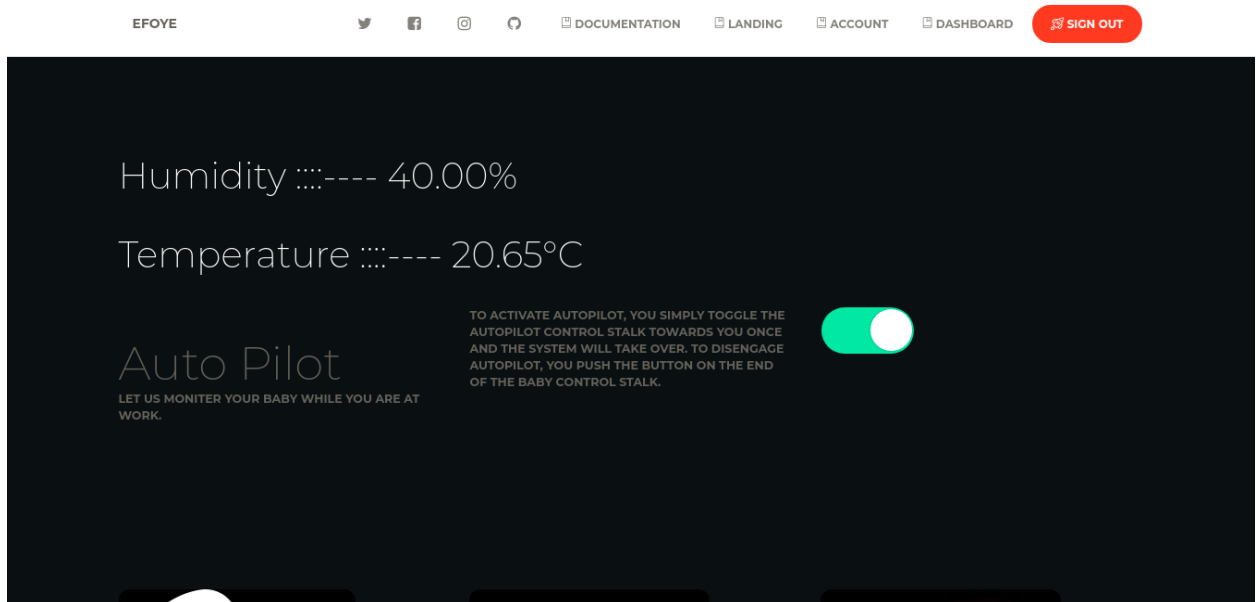

Notice: Products or services of the vendor or carrier are subject to change within this User Guide without prior notice.

1. Go to our official website

2. register(signup) with your Device ID provided on the system.

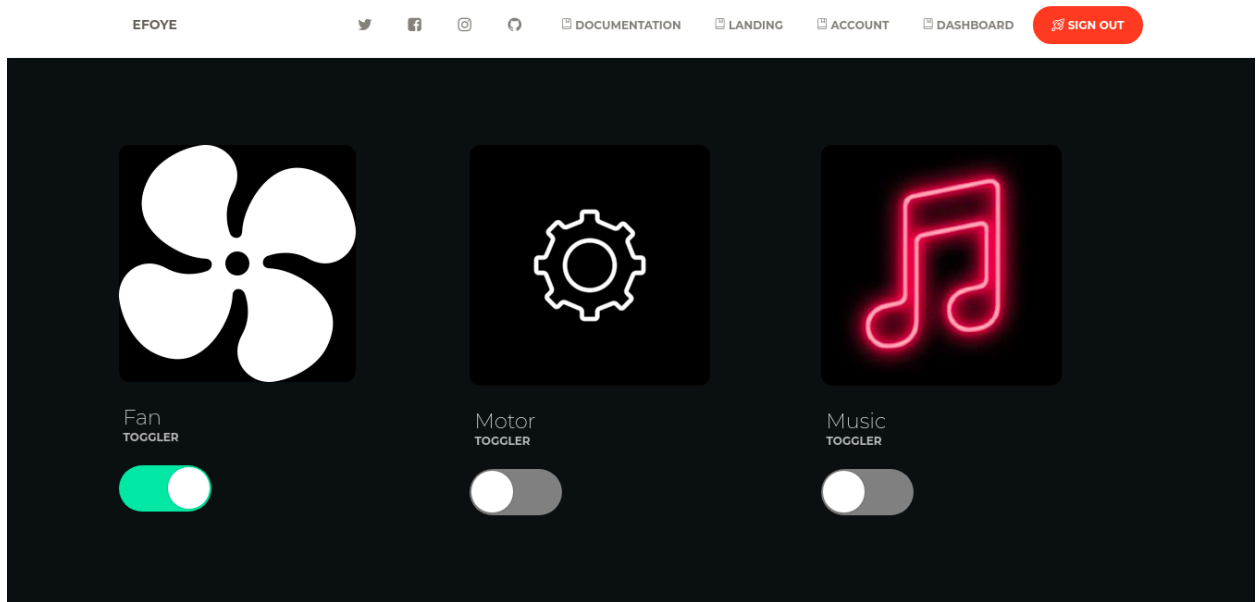

A screenshot of the Efoye website's registration page. The background is a blurred image of a wooden crib. Overlaid on this is an orange 'Sign Up' form. The form contains the following fields: 'Full Name' (with a placeholder 'Full Name'), 'Email' (with the placeholder 'gedewon.hayle.9@gmail.com'), 'Password' (with a masked input '*****'), 'Confirm Password' (with the placeholder 'confirm Password'), and 'Device Id' (with the placeholder 'Device ID'). At the bottom of the form is a red 'SIGN UP' button. In the top right corner of the website, there are links for 'ABOUT US', 'CONTACT US', and a green 'SIGNIN' button. The 'EFOYE' logo is visible in the top left corner.

3. After successfully registered and verified then you can monitor your system status from the dashboard

Turn on Auto Pilot functionality to allow the cradle to monitor itself, if you're nearby you can turn it off and you can monitor it yourself.

4. Toggle on or off Actuators in the cradle by a touch of a single button.
Or just look at it, when the autopilot functionality turns it on and off.

5. You can wander around the page and get comfortable on the platform and change your account settings , link other social media accounts and also send password reset if you feel your password is not strong enough.
